Eco-friendly Disposable Tableware

100% Plastic Free

100% Biodegradable

Made from CaneFiber®

Why Us?

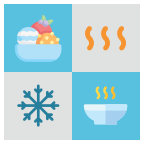

As an important link of the food industry, we understand our 'shared responsibility' towards food safety and recognize the direct association of food serving with the quality and safety of food. All our products regularly undergo rigorous tests in our in-house lab and with international compliance standards to ensure they are food safe.

Water Resistant

Our products can hold aqueous foods for up to 1 hour without any leakage.

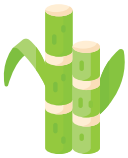

Hot & Cold Food Friendly

Our products can hold hot cold or frozen foods easily and the containers are easy to hold.

Microwave & Refrigerator Safe

Easily serve, store and heat the leftovers. Our products are Microwave and Refrigerator safe.

Made From CaneFiber®

Naturally occurring by-product of sugarcane, which is processed into pulp and compressed.

Made In India

All our raw material is sourced and products are proudly manufactured in India.

100% Biodegradable

All our products can be thrown away with food after consumption and will decompose within months.
